## SANTA CLAUS COMING HERE MONDAY

### STORES OFFER LIVELY TIME TO CITIZENS

Second Annual Christmas Treat of Canyon to People

#### MONEY, TURKEYS

Kiddies Will Get Treat Monday Afternoon From Santa

The second annual Christmas celebration of the business houses of Canyon will be held next Monday, December 19th. The Trade Extension committee of the Chamber of Commerce is planning for a big day, in which awards will be offered to the grown-ups, and treats for the children.

The program starts at 10:00 a. m. with registration at the court house. Gifts will be awarded visitors, including \$12 in cash and live turkeys.

Santa Claus will greet the children at 4:30 o'clock, and candy and nuts will be given each child. Business houses of Canyon are getting ready for a great treat of bargains on next Monday, and cordial invitations have been sent to all parts of the county urging that the people come to Canyon to do their Christmas shopping on next Monday.

Thousands of Randall county people took advantage of the great Christmas celebration held in Canyon last year, and it is expected that a much larger attendance will be here for the occasion this year.

### New Line of Cars To Be Shown By The Chevrolet Co.

The salesroom of the Imperial Chevrolet Company at southwest corner square will be the center of automobile interest on December 17, according to an announcement that has just been made by Mr. John Jackson, Chevrolet dealer. Mr. Jackson is more enthusiastic than ever about the splendid line of cars Chevrolet, the leader of the industry, is introducing for 1933 and feels confident that the public will share this enthusiasm when they have seen this new line.

According to Mr. Jackson the new Chevrolets present a distinctly new body styling which offers new features revolutionary in the low priced field. The cars are larger with more powerful motors and represent a substantial forward in modern automobile safety engineering.

Many of the Chevrolet dealers have already visited the General Motors Proving Ground at Milford, Michigan, and have returned elated over the way the new cars perform on every kind of road and under every driving condition.

Mr. Jackson further states that the Chevrolet salesroom will present a particularly attractive setting for the new cars and believes that all records for attendance will be broken on announcement day.

### Community Chest Is Providing Clothes to Many of Needy

The City Federation in meeting yesterday heard a report from Mrs. C. M. Dowlen regarding the Community Chest distribution. 624 used garments have been collected, and 423 distributed. Wearing apparel is badly needed, especially old coats, men's coats, men's and children's shoes.

From the Red Cross material sent to the county the committee of Mrs. T. C. Thompson has cut 726 garments. These were distributed by Mrs. Dowlen to 40 families, 30 in Canyon and 10 in the county. This includes 140 children.

## Snow Covers the Entire Panhandle

Coldest Weather of Year 3½ Above Zero on Monday

Snow blankets the Panhandle this morning, with a heavy snow falling at the time the News goes to press. The wind from the northeast indicates that the storm may continue through the day.

The first snow came Thursday night, about 4 inches deep. This was followed by the coldest weather of the year, when the temperature dropped to 3½ degrees above zero Monday. Since then the temperature has stood around 20 degrees above zero.

The moisture from the snow was welcomed by the farmers and will be a great help to the wheat in the county. The temperature was not cold enough to cause loss of stock.

### Company F Has Sixteen Sets of Brothers Enlisted

Company F of Canyon has perhaps set a national record so far as brothers are concerned. There are sixteen sets of brothers enlisted in the company. In addition, Company Commander, Capt. William E. Lockhart has a son, Vincent, who serves as company mechanic.

The following are the sets of brothers who are enlisted:

Pvt. Leonard E. Brasuel, Pvt. George A. Brasuel, Pvt. Troy A. Brasuel.

### Empty Stocking Crusade to Have Christmas Tree

Mrs. J. S. Humphreys, Empty Stocking Crusade chairman, has named co-workers to put on the campaign for Christmas Eve. The committee plans to see that Santa Claus does not overlook any boy or girl in Canyon this Christmas.

Plans are being worked out for a Christmas tree for the children to be held in the Federated Club rooms. Santa Claus will be there. The following have been named by Mrs. Humphreys as her committee: Mesdames T. H. Knighton, Wes Kleinschmidt, Frank R. Phillips, H. O. Price, J. M. Daugherty, Carl Scott, C. M. Dowlen, Hud Prichard, Frank P. Hicks, Clarence Thompson, Levi Cole and Claude Moore.

Rev. Ted P. Hollifield, former pastor of the local Presbyterian church, died Friday at San Antonio after an extended illness. He was here last year for several months for medical treatment.

Rev. Hollifield was pastor of the Presbyterian church at Waxahachie and was on a leave of absence on account of his illness. The funeral services were held Sunday in Waxahachie, with burial at Clovis on Monday.

### Committees Seek Aid for Chamber of Commerce

The following committees were named Tuesday by the Finance Committee to see all of the people of Canyon for support of the Chamber of Commerce:

College faculty—S. H. Condrion, Miss Jennie C. Ritchie. High School faculty—Irby Carruth, George Terry.

West side of square—W. A. Warren, Levi Cole.

East side of square—J. J. Walker, T. C. Thompson.

North side of square—C. H. Jarrett, Hud Prichard, Albert Terry.

South side of square—Bill Smith, Marion Bishir, G. A. Farlow.

Other business lines and home owners—Wes Kleinschmidt, Bill Bryant, A. W. Sternberg, and Fred Scott.

All names of Chamber of Commerce members and contributors to the special fund of the organization will be printed in the News starting next week.

### Bob Underwood, Jr. to Assist Hazlewood at District Attorney

Grady Hazlewood, district attorney-elect, has named Bob Underwood, Jr., as assistant district attorney. Hazlewood is assistant to District Attorney Edward Thomerson at the present time, and served previously under W. J. Flesher who preceded Thomerson.

The new district attorney and his assistant will take office January 1st, according to law, and will start to function in the January term of district court which will open in Canyon January 2nd. Young Underwood is the son of Bob Underwood of Amarillo, senior member of the firm of Underwood, Johnson, Dooley and Simpson.

### STATE SOLONS BACK COLLEGE IN ITS FIGHT

STANFIELD AND MOFFITT ARE VISITORS HERE.

Chapel Talks Saturday Indicate Interest of State Legislators in Future of W. T.

"The report of the legislative committee on economy and in regard to education is preposterous and unthinkable" was the gist of the words spoken at the regular assembly hour last Saturday by State Representatives H. K. Stanfield of Amarillo and George Moffitt of Chillicothe.

These two gentlemen were guests of President Hill and the college last Saturday, responding to an invitation sent to all the legislators of this section of Texas. The invitations were tendered by Clyde W. Warwick, of Canyon, retiring Representative from this district, in cooperation with the administration of W. T. in fighting proposed mal-administration within the forthcoming legislative body.

Other Representatives were unable to come to Canyon because of inclement weather conditions.

**Education Must Prove Value**  
The two speakers at the assembly exercise were introduced by Mr. Warwick. He emphasized the fact that the people of Canyon and of West Texas had a fight on their hands, but that that fight should not be waged on purely sentimental grounds.

"Education must show that it has given value received to the taxpayers who have invested in it. The West Texas State Teachers' College must prove its value."

### Randall Exes Will Hold Meeting Soon as Weather Permits

A meeting of Randall County Ex-students which had been planned by County Chairman, Rex Roby, and Superintendent Irby Carruth, to take place Saturday has been postponed because of weather conditions.

The meeting will be announced for a later date and every person in Randall County, and especially in Canyon, who has ever been a student at the West Texas State Teachers College will be urged to attend. A program will be arranged for the meeting, with some member of the College faculty as speaker.

Demand That the Teacher Colleges Be Held As Now

#### ASK SUMMER SCHOOL

Dr. Hill Returns From a Meeting Held in Fort Worth

President J. A. Hill returned Tuesday from Fort Worth where he attended a meeting of the presidents of the seven Texas State Teachers Colleges.

A. B. Mayhew, president, and Henry Paulus, vice-president of the Board of Regents attended the sessions and all the presidents were there.

The two problems which consumed most of the meeting at Fort Worth were those of financing the summer schools in 1933, and of assuring the continuance of the teachers colleges on the same level of service as heretofore.

At the close of the sessions Tuesday, the following statement was issued over the signature of A. B. Mayhew, of Uvalde, who for several years has been president of the State Teachers College Board of Regents:

The Presidents of the seven Teachers Colleges of Texas and A. B. Mayhew, president of their Board of Regents, and Henry Paulus, vice-president, met here today to devise ways and means of maintaining this group of institutions without impaired efficiency while passing through the present economic crisis. This integral part of the States public school system, like all other public and private enterprise, is face to face with certain stubborn economic facts. The group today expressed keen sympathy with every patriotic endeavor to reduce the costs of government and will unquestionably co-operate along sane lines with all governmental authorities toward this end.

One of the immediate problems is that of making preliminary arrangements for the summer schools of 1933. In the summer of 1932, 12,511 teachers enrolled in the (Continued on last page)

### REPORT SHOWS WORK CHAMBER OF PAST YEAR

VARIOUS LINES OF ACTIVITIES ARE UNDERTAKEN.

Secretary Fred E. Wortham Presents Work Undertaken at Banquet Held Thursday.

The following was the report read by Fred E. Wortham, secretary of the Chamber of Commerce:

In presenting an annual report of the Chamber of Commerce activities for the past year it is practically impossible to mention all of the achievements during the course of the year, to say nothing of giving detailed accounts of such work. Please bear in mind that this year's operations of the Chamber of Commerce were like those of every other organization, greatly curtailed from that of former years because of decreased finances. This report covers from October 22, 1931 to November 28, 1932, or a period of about 13 months.

#### Publicity

In the matter of publicity for the town, the College and the county as a whole, your Chamber of Commerce has accomplished much good. Articles for publication in magazines, newspapers, trade journals, business reviews, etc., covering almost every possible subject, sent out from the Chamber of Commerce office numbered a few over 800. Special interest in the Palo Duro Canyon was indicated by the numerous requests received from magazines and newspapers for information about it. The same is true of the agriculture of the county. Innumerable requests were received for information on Randall County and certain outstanding achievements on the part of her progressive farmers. The publication of pictures which were of unusual interest to those living outside this section were secured in numerous publications. Predominating in this year's Chamber of Commerce publicity has been the elimination of such matter that would present an over-colored picture, or excessively overplayed facts.

#### Radio Programs

A project somewhat related to the program of publicity for the Chamber of Commerce was the series of radio programs sponsored during the year. This was a project not commonly practiced by the Chambers of Commerce in cities the size of Canyon. Fifty-three programs were sponsored during the year from which we received 97 (Continued on last page)

### Rotary Club in Discussion of the College Problem

Discussion of the college problem confronting W. T. was lead Tuesday by Wallace R. Clark at the luncheon of the Rotary Club. D. A. Shirley, Irby Carruth and Clyde Warwick made short statements.

The birthdays of Burt Newlin, Albert Terry and J. H. Cox, Jr., were recognized.

Mr. Clark advised the citizens against a panic in the present discussion of the economy and efficiency committee. But when the Dallas News and the Star-Telegram comes out for the reduction of rank of W. T. to a junior college, it is time for friends of the institution to take action.

The situation is critical in Texas. The state auditor advocates a reduction of appropriations by one-third. Mrs. Ferguson asks the institutions to make a reduction of one-fourth. In times like these, and under present conditions, most anything is liable to happen unless the friends of the institution are alert. It was fortunate that there was a leak in the news so that early action might be started, and that sentiment would cement before the meeting of the legislature.

Mr. Clark urged that Rotarians and other citizens write to senators and representatives regarding the situation before they go to Austin, and to urge others to write.

Mr. Carruth reported that 500 letters have been mailed to ex-students of W. T. Meetings have been called for Tulsa, Amarillo and Panhandle this week, and others will follow in every part of the Panhandle.

Visitors of the club were C. O. Huber, W. D. Biggers and Mr. Clark.

### BANQUET HELD ON THURSDAY DRAWS PLANS

Will Put Up Fight To Hold Four Year College

NEARLY 100 ATTEND

Citizens Urged to Back Chamber of Commerce in Fight

Nearly 100 citizens of Canyon attended the banquet of the Chamber of Commerce at the Christian Church Thursday night, heard interesting reports of the officers, and planned for the future activities of the organization.

Following the invocation by Rev. E. C. McKenzie, Clyde W. Warwick, president of the Chamber of Commerce, called for the reports of Levi Cole, treasurer, Fred E. Wortham, secretary, and T. C. Thompson, retiring president. The reports of Mr. Cole and Mr. Wortham are printed in full in this issue of the News.

Mr. Thompson praised the work of the Chamber of Commerce and urged that the citizens take an active part in the support of the organization during the coming year. The organization is needed more right now than at any time in the history of Canyon, with the fight that must be made to maintain the College as a standard four-year educational institution. Mr. Thompson urged especially that property owners who have not contributed to the welfare of the organization, do so at once in order to provide the proper funds for the coming fight.

#### Dr. Hill Talks

Dr. J. A. Hill expressed appreciation of the work of the Chamber of Commerce during the past and pledged his co-operation for the future. He believed that the College needed the Chamber of Commerce very greatly for the fight that must be made before the legislature in January, and to that end, every business man, every citizen, every home owner should get behind the organization, and support the officers.

Dr. Hill outlined the proposal of the economy and efficiency committee which had recommended that the teachers colleges either be turned over to the local communities to run as junior colleges, or that they be made branches of the State University and conducted as junior colleges. He discussed the need of teacher training institutions in Texas, and wondered why it was that since there are too many doctors, too many lawyers and too many in other professions that this committee did not recommend the closing of the law school and the medical school. Lack of understanding of the field of the teacher training institutions and the work being accomplished was responsible for this recommendation.

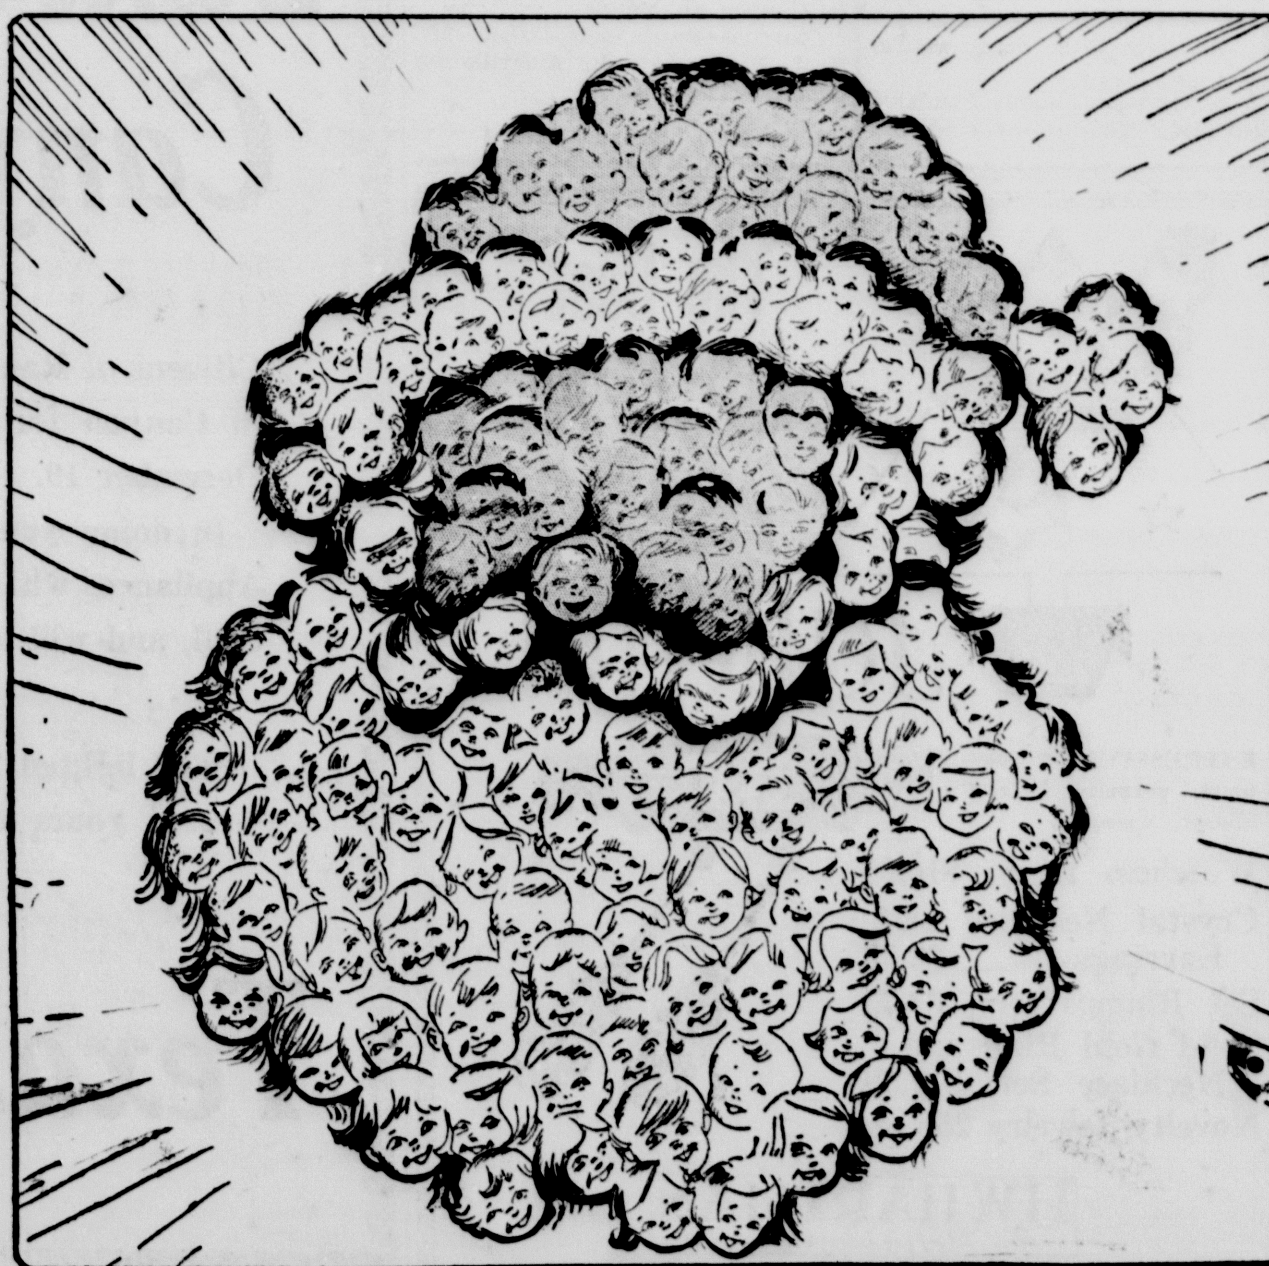

The change will not be made. (Continued on last page)

### No Action Taken by Court on Home Demonstrator Work

In the regular monthly session of the Commissioners' Court Monday no final action was taken in regard to continuing the service of the Home Demonstration Agent after the first of January. Miss Grubbs, district agent, was here to meet with the court, and to discuss the future employment of the agent, Miss Sadie Kate Bass, who has been here since the first of July.

County Judge S. B. Orton stated yesterday that several matters were discussed at the meeting of the court Monday, but the question of finances was paramount in all of these matters. Amending of the budget adopted recently by the court will be necessary if the home demonstration work is continued. Judge Orton stated that decision on several important questions would come before the court before the first of the year.

T. H. Cochran was named Animal and Hide Inspector to succeed J. A. Tate, deceased.

**CANYON MEANS BUSINESS**

The citizens of Canyon are thoroughly aroused as to the earnestness of the fight that it will wage to maintain W. T. as a full four-year college. The citizens know that the economy and efficiency committee of the legislature is wrong in advocating this institution be reduced to a junior college, to be conducted either by the people of Canyon or as a branch of the University of Texas.

The citizens of Canyon know that they have just grounds upon which to defend W. T. In locating the college here 23 years ago, the state put the institution upon the auction block for West Texas towns to bid. Canyon was the highest bidder, paying \$100,000.00 in cash and 40 acres of land for the school. Never before had any town made such a large offer to secure the location of a college. Since that time the citizens of Canyon have contributed very freely to upbuild the institution. \$14,000 was donated for the building of a gymnasium; several thousand dollars was donated to the erection of the steel grandstand on the athletic field, which was erected without cost to the state; \$25,000 in cash has been turned over to the state by citizens of the Plains for the erection of the museum, and more money is coming to complete the building and buy furniture. Canyon has done a noble deed, and has always contributed freely to the support of the institution. An implied contract was entered into by the state in the location of the college that it would be maintained, rather than built and then destroyed.

However, The News is not assuming that the State of Texas owes anything to the institution or to the city of Canyon unless the college is worthy of the support that the state has given in the past, and should be given in the future. If the institution has not returned to the state ample profit upon the investment, then we have no right to ask the state for further appropriations. The News takes the broad view that no college, department or individual has any right to expect support from the state unless it is doing a service for the people of Texas commensurate with the investment that is being made by the state. If there is any institution which is a failure, then we say abolish it. If we cannot defend W. T.'s right to life upon these terms, then we have not much grounds upon which to object to the recommendations of the committee.

Fortunately, those in position to know the facts are convinced that W. T. has all of the argument upon its side when the merits of the case are sifted. During the 22 years of its existence, W. T. has rendered a most notable service to the state of Texas, and to the people of this section. Teacher training has been its mission. As a result, an authority on education recently pronounced that educational advantages in the public schools of Northwest Texas have been improved 300 percent since W. T. graduates have taken their places as teachers in the public schools of this section. W. T. will continue to render this service, and should be allowed to continue to do so.

It is not the fault of W. T. that four new institutions have been created and opened since this one was established in 1909. The legislature established these colleges in spite of the opposition expressed by the various boards of regents which had control of the institutions of higher learning, and in spite of the opposition of the leading educators of the state. Now that these institutions have created an over supply of teachers, why should the legislature jump on the institutions which were created at a time before the law making body did the unwise act of creating more colleges?

Probably there are more colleges in Texas today than there should be. But that will not hold true tomorrow. The population continues to increase, poor times or good times. Children will continue to be born in Texas, and people from the outside will continue to move to Texas. Tomorrow there will be a need for each and every institution. Texas is the size of five ordinary states. There are very, very few states which does not have at least four or five state colleges, and the 17 in Texas corresponds in size and population to the average sized state of the union. Distance in Texas counts for a great deal. How many students

now attending W. T. would be able to attend the University of Texas, or A. & M. College, which institutions are now overcrowded, with hundreds of freshmen being failed every year largely because of the large numbers which come to those institutions.

Educators are of the opinion that the most economical college is the one with 1,000 to 1,200 students. It is not too large, and at the same time not too small. Competent instructors may be employed for the freshman, while in the large universities freshmen are given inferior instruction either by upper classmen or inexperienced and young teachers, who have not had the benefits of a teacher training institution.

The denominational colleges of Texas are not adequately endowed to carry the load that would be thrown at them if the teachers colleges were reduced in rank. It is no secret that most of the church schools are having plenty of troubles of their own right now. The extra burden of more students, without proper endowment, would add to their burdens. Every one who belongs to any church in Texas is aware of the difficulties facing the various local denominations. Will the members contribute more to these denominational colleges when the average church is having a real battle to meet its running expenses?

And so on, and on, the arguments might be made against the proposal of the economy and efficiency committee.

But the thing confronting Canyon right now is to get this argument over to the members of the legislature. This is absolutely necessary. Each and every citizen of Canyon who knows members of the coming legislature should write them, and present the views of Canyon regarding W. T.

Each and every student of W. T. should write or see their senator and representative before January first.

The greatest need right now is for each and every citizen to join the Chamber of Commerce and provide some of the funds which will be necessary to make this fight. There is not a property owner in Canyon who could afford to see W. T. reduced from a senior to a junior college. Therefore each and every property owner in Canyon should make a contribution to the Chamber of Commerce to carry on this fight. This fight is the fight for each and every citizen in Canyon. The Chamber of Commerce directors are only the representatives of the citizens of Canyon. They cannot do the work necessary unless provided funds with which to carry on the work which the people demand of it.

Yes, Canyon means business about this matter. Each and every citizen should take it seriously, and do his part.

## BURTON BACK FROM DALLAS ROUTE FIXED

**BUFFS IN RARE TRIM FOR FIRST GAMES DEC. 21-22**

According to the latest that can be had in regard to the basketball schedule of the Buffaloes, a series of tough assignments have been made as a partial schedule. Coach Burton returned Sunday from Dallas, where the schedule was completed for the Buffs of '33.

Coach Burton is optimistic about this year's Buffalo quintet and pre-season dope gives him every right to be. Since the winding up of the old T. I. A. A. Burton has felt for the first time the ability to act as a sort of free lance in basketball, picking the big boys and justifying his actions on the principle of the old saw that "the bigger they are, the harder they fall."

A hard round of games is ahead of the Buffs but every indication is that they are taking the whole thing as a matter of course, which is the true spirit of really big timber. This is the second venture of the Burtonites into the realm of inter-sectional play.

Last spring the championship team of goal tossers went to the Kansas City tournament where they attracted the attention of the whole mid-west, not only from the fact that they were typical "timber toppers," but because they could play a real brand of basketball. And that was real praise for it came from the very stronghold of the loop experts, where the varnished floor is the gridiron, diamond, and track all rolled into one for many of those corn and wheat belt colleges.

This year, Burton will take a more polished machine with him on his first round and all eyes are going to be turned towards the Buffs first quest of this season. The schedule follows:

Dec. 21-22—Terrible Swedes, at Canyon.  
Dec. 30—Southwestern Teachers, Weatherford, Okla.  
Dec. 31—Southwestern College, Winfield, Kansas.  
Jan. 2—Southern Kansas Stage Line, at Kansas City, Mo.  
Jan. 3—Pittsburg (Kans.) Teachers (Tentative).  
Jan. 4—Oklahoma City U. at Oklahoma City, Okla.  
Jan. 5—Phillips Univ. at Enid, Okla.  
Jan. 11—House of David at Canyon.  
Jan. 12—Southwestern (Okla.) at Canyon.  
Jan. 20-21—Tech at Canyon.  
Jan. 24-25—East Central (Okla.) at Canyon.  
Feb. 3-4—Oklahoma City U. at Canyon.  
Feb. 11—Randolph Flying Field, at Canyon.  
Feb. 14-15—Southeast (Okla.) Teachers at Canyon.  
Feb. 20—Southern Kansas Stage Lines at Canyon.  
Feb. 27-28—Tech at Lubbock. (Tentative).  
Mar. 6-12—National Tournament.

The man who worries over little things never has any time for big ones.

The people who deliver the goods are likewise the ones who do the collecting.

## "WAR WHOOP" NAMES SQUAD

**Four Buffaloes Are Given Honors of Team Berth**

The McMurry War Whoop, college newspaper, placed four W. T. Buffaloes on its all-T. I. A. A. team, McLendon, Teague, Manning, and Williams.

It says, "For tackles, we have Manning from Canyon. Weighing 210 pounds, the big boy was hard for opposing linemen to handle. For guards, Teague, aggressive little 160 pound goal kicking guard from Canyon. . . . At center we have placed Bill McLendon, of Canyon, over Allen of A. and I. and Gray of A. C. C. We favor Bill because of his offensive playing and also his four years experience. . . . At fullback we have the big 200 pound 'Cow' Williams. He is a good defensive man, with lots of speed considering his weight, and has a deadly stiff-arm."

Here is the team complete as named by the War Whoop: Left end, Rich, A. & I.; left tackle, Hodgkiss, A. & I.; left guard, Wadzeck, McMurry; center, McLendon, Canyon; right guard, Teague, Canyon; right tackle, Manning, Canyon; right end, Dixon, A. & I.; quarterback, F. Smith, McMurry; right halfback, Bridges, Sul Ross; left halfback, Cox, A. & I.; fullback, Williams, Canyon.

### DEMONSTRATION SCHOOL PROGRAMS

A Christmas Cantata, "The Awakening," will be given by the W. T. High School girls' Chorus on Friday, December 16, at 2:30 in the auditorium of the Education Building. The chorus is composed of twenty-two members and is directed by Miss Ada V. Clark.

The members of the organization would appreciate the attendance of all music lovers.

An operetta, "When Christmas Comes," will be given by the pupils of the fourth, fifth, sixth, and seventh grades of the Demonstration School on Tuesday, December 20, at 2:30 in the auditorium of the Education building.

Friends and patrons are cordially invited to attend.

The operetta is directed by Miss Ada V. Clark assisted by Miss Jean Moore and Miss Novella Goodman.

### FIRST CHURCH OF CHRIST, SCIENTIST

Services every Sunday at 11:00 and Wednesday evening at 8:00. Sunday School meets at 9:45. Subject for next Sunday, "Is the Universe, Including Man, Evolved by Atomic Force?"

A reading room is maintained in the church from 3:00 to 5:00 on Tuesdays, Thursdays, and Saturdays, where the Bible and authorized Christian Science literature may be read, purchased or borrowed. The public is cordially invited to attend these services and to visit the reading room.

Even though all the world can be a stage, the best way to act is natural.

The objection to a straw vote is that it merely shows what the people want—not what they will get.

The best way to get in the lime-light is to find out what is popular and then oppose it.

### CHRISTMAS AT LITTLE HOUSE OF FELLOWSHIP

The Little House of Fellowship, gay in its Christmas decorations of wreaths, poinsettia and English ivy, has been the scene of some delightful gatherings recently.

The last meeting of the International Relations Club, for the season, was turned into a Christmas party by Mrs. Page, after the program of book reviews by Misses Babston and Leslie had been finished. A salad course, with cheese wafers and mints, was served with tea, which was poured from a prettily decorated table by Miss Rosalie Leslie. The Club presented the Little House with a beautiful pair of amethyst glass candle holders, in token of its appreciation of the privilege of holding its regular fortnightly meetings there.

Last Sunday night, quite a large group, considering the weather, gathered to meet Bishop Seaman, after the service at the church, at which the Bishop was the preacher. Tea, wafers and salted nuts were served, and Christmas carols were sung. Mrs. Page was assisted on that occasion by Mrs. Geraldine Green, Miss Helen Hickman, Miss Richardson, Mildred Walter, Dorothy Harris, Pauline McCants and Nell Green.

On Tuesday evening, Dec. 13th, the Student Religious Council held its Christmas social meeting with Mrs. Page. A devotional program, conducted by Dorothy Harris, emphasized the Christmas note. Mr. and Mrs. Huber sang a duet, Miss Swisher a solo, and John Hood gave a piano number, after which the entire group sang Christmas carols, with Bernice Bessie at the piano.

During the evening refreshments of various kinds of sandwiches, tea and salted nuts were served.

The evening was brought to an appropriate close with a Christmas benediction by Rev. L. R. Hudson.

### SANTA CLAUS PARTY AT METHODIST CHURCH

A Santa Claus party was given at the Methodist church Monday evening in entertainment of the young people of the town and college. Colored holiday lights, candles and a decorated Christmas tree added to the spirit of the affair.

The evening was spent in playing appropriate games under the direction of Miss Mattie Mae Swisher. A feature of the program was a debate between Aln Reed and Lloyd Neelley on the subject, Resolved: There Ain't No Santa Claus. At the conclusion of the debate Santa refuted the argument by appearing with gifts of candy, nuts and fruits for the guests.

A procession of carolers sang, "Holy Night" and Rev. Foote told a humorous story in concluding numbers on the program. As the party disbanded groups of young people serenaded several Canyon homes with Christmas carols. Some 75 students participated in the event.

### RELIGIOUS COUNCIL IS SPONSORING OFFERING

The Student Religious Council, composed of representatives from the various churches of the city, is sponsoring a Christmas offering for the Presbyterian Children's Home in Amarillo.

Collection jars have been placed in the grocery stores, cafes, drug stores and at the College for money offerings. The aid of the community is solicited in this project.

Mr. and Mrs. Paul Lentner and son, Bobby, spent several days last week in the home of her mother, Mrs. M. E. Rhoads, and her sister, Mrs. Levi Cole.

### CHRISTMAS PARTY AT BAPTIST CHURCH

Some fifty young people were entertained with a Christmas party at the Baptist church Monday evening.

Stunts and games planned by a committee composed of Marion Hill, Juanita Campbell and Marye Brian furnished hilarious entertainment for the early part of the evening.

The rooms were attractively decorated by a committee with Margaret Bengel and Oletha Russell as chairman.

The high point of the evening was the distribution of gifts from a beautifully decorated tree, by a most genial Santa Claus. The evening marked the end of the X-Friend Contest sponsored by the young people and afforded an opportunity for the exchange of gifts by many "unknown" friends. Refreshments in keeping with the Christmas season were served.

Mr. and Mrs. C. O. Huber and Fred Wortham supervised the affair.

### MRS. GREEN SPEAKS TO CLUB

Mrs. Geraldine Green, dean of women at the College, was the principal speaker at the meeting of the Junior Woman's Club Monday afternoon. Mrs. Green chose as her subject, "A Modern Traveler Through Germany," telling of her recent travels in that country, and illustrating the high points of her talk with pictures and coins.

During the business meeting the club voted to donate thread and buttons to the local chapter of the Red Cross to aid them in making garments for the needy this winter. Clara Pauline Johnson has been chosen as the protegee of the organization.

Those present included: Mrs. J. Madison Daugherty, Mrs. Lorenzo Wirt, Mrs. M. L. Saddoris, Mrs. A. K. Goodman, Mrs. Carl Scott, Mrs. Harry Wood, Mrs. W. E. Miller, Mrs. Levi Cole, Mrs. H. W. Hartman, Mrs. Felix Neff, Mrs. John Jackson and Mrs. J. B. Fowler.

The afternoon was spent in playing bridge, the tallies, special holiday numbers, carrying clever Christmas wishes to the guests. At the refreshment hour a plate lunch was served.

Seated were: Mrs. F. E. Savage, Mrs. John Fry, Mrs. Harris M. Cook, Mrs. Dan K. Usery, Mrs. N. E. McIntire, Mrs. Clyde McElroy, Mrs. Charles Flesher, Mrs. T. M. Moore, Mrs. Frank R. Phillips, Mrs. T. C. Thompson, Miss Jennie C. Ritchie, Mrs. Burt Newlin, Mrs. T. B. McCarter, Miss Nora McCarty, Mrs. Annie V. McCarty, and Mrs. W. A. Warren.

Christmas Cards, 1c to 50c each. Warwick's.

Will Give Play  
The Junior and Intermediate departments of the Presbyterian church will give a play on Dec. 24th at 7:30 o'clock, "The Night Before Christmas."

### WOMAN'S BOOK CLUB MEETS WEDNESDAY

The Woman's Book Club held its December meeting yesterday afternoon with Mrs. Harris M. Cook, Mrs. Lee Johnson, and Mrs. Chas. Dowlen presenting the lesson which was on United States Highway Number 31, passing through Michigan, Indiana, Kentucky, Tennessee and terminating at Mobile, Ala.

At the business session of the club, Mrs. R. A. Neblett was elected to membership.

There will be no further meeting of this club until the second Wednesday in January, the club following its usual custom of having a recess to give the members ample time to make their preparation for Christmas.

### CLUB MEETS WITH MRS. T. H. KNIGHTON

Members of the Friday Afternoon club assembled at the home of Mrs. T. H. Knighton, 2101 Sixth Avenue, Friday afternoon and enjoyed several hours of bridge with Mrs. Knighton as hostess.

Bowls of narcissus were lovely in the rooms where the guests were seated. At the close of the play a tasty dessert course was served.

Those present included: Mrs. Irby Carruth, Mrs. J. W. Klein-schmidt, Mrs. R. A. Neblett, Mrs. Dan Sanders, Mrs. Travis Shaw, Mrs. C. L. Thompson, Mrs. Clyde Warwick, Mrs. Herbert Ralls, Mrs. G. A. Farlow, Mrs. Frank R. Phillips, Mrs. T. M. Moore, Mrs. Ted Myeatt and Mrs. Lee Foster.

### MRS. HARTMAN IS HOSTESS TO PRISCILLAS

Mrs. H. W. Hartman was hostess Wednesday afternoon at her home, 1512 Sixth Avenue, in entertainment of the members of the Priscilla Needle Club.

The afternoon was spent in conversation and in showing needlework. A dessert course was served at the refreshment hour.

Those present included Mrs. J. Madison Daugherty, Mrs. A. K. Goodman, Mrs. G. A. Farlow, Mrs. Mack Gillham, Mrs. Joe Black, Mrs. Carl Scott, Mrs. J. L. Duflo, and Mrs. K. A. Britt.

### MR. AND MRS. COLE ENTERTAIN WEDNESDAY

Mr. and Mrs. Levi Cole entertained Wednesday evening of last week with an informal bridge party at their home, 1102 Seventh Avenue.

Flowers and pot plants were chosen as decorations in the reception rooms. Holiday tallies were used during the games.

At the refreshment hour Mr. and Mrs. Cole announced, as a surprise feature of the affair, that the occasion was in celebration of their wedding anniversary.

Seated were: Mr. and Mrs. H. R. Fulton, Mr. and Mrs. W. H. Upchurch, Mr. and Mrs. W. E. Miller, Mr. and Mrs. W. L. Smith, Mr. and Mrs. D. M. Foster, Mr. and Mrs. Ernest Brown, Mr. and Mrs. James Cole, and Miss Olive Schramm.

D. A. Shirley and Coach S. D. Burton returned Tuesday from the meeting of the T. I. A. A. in Dallas.

L. T. Lester is on a business trip to Harlingen.

Christmas Cards, 1c to 50c each. Warwick's.

Will Give Play  
The Junior and Intermediate departments of the Presbyterian church will give a play on Dec. 24th at 7:30 o'clock, "The Night Before Christmas."

### DEMONSTRATION CLUB WITH MRS. BURGAN

An enjoyable as well as a profitable day was spent by the ladies of three of the Home Demonstration clubs of the county in an all-day meeting at the home of Mrs. A. N. Burgan on last Wednesday, Dec. 7. Twenty-six ladies enjoyed her hospitality on this occasion, and the spacious rooms of her home afforded ample room for the rug making demonstration put on by Miss Bass and also a pleasant social hour at noon. The morning was spent in dying materials to be used for making the rugs. A delicious repast of sandwiches, salads, cake and hot coffee was served at the noon hour. After lunch Miss Bass discussed frames, materials, needles, color combinations, patterns, etc. in the making of rugs. Those present were Mesdames Earl Burtz, Claud Fewell of Jewell; W. A. Black, O. M. Solomon, C. Sanford, Hardeman, Miller of the Edgetown club; D. Burgan of Amarillo; T. V. Slack, L. R. Frick of Canyon; S. F. Dove, J. E. Hunter, W. L. Avent, T. A. Dowlen, Joe Tuck, B. A. Burrus, W. C. Roberts, J. J. Wright, F. N. Shotwell, M. T. Maddux, L. A. Donnell, Misses Coily and Veda Burrus, Katie Tuck, Sadie Kate Bass and the hostess, Mrs. Burgan.

On Wednesday, Dec. 21, the West Side club will meet with Mrs. L. A. Donnell for a social meeting and Christmas tree for the club members. All are urged to enjoy the Christmas spirit which will surely prevail at such meetings.

### ZITA HOME DEMONSTRATION CLUB MEETS

The regular meeting of the Zita Home Demonstration club was held Tuesday at the home of Mrs. M. H. Rockwell.

During the business meeting plans were made for an all day meeting at the home of Mrs. D. C. McCormick.

Mrs. H. R. Fulton was taken into the club as a new member. After the meeting adjourned a social hour and refreshments were enjoyed by those present.

Mrs. Ole Ford of Dallas was called home to be with her mother, Mrs. P. M. Wilson, who has been very ill.

Miss Carrie Guthrie returned Thursday from a two months visit in the home of her cousin, Mrs. Paul Lentner of Roswell.

### Emil Brewer Has Poem Published In Kaleidograph

Miss Emil Brewer, W. T. sophomore, made her literary debut last week with the publishing of her poem, "Behind the Mailbox", in the December issue of Kaleidograph, a national magazine of poetry published at Dallas, Tex.

The poem has as a background the prairie and rural life of the plains. Permission has been obtained for its publication in the Prairie.

Miss Brewer whose home is in Memphis, Texas, has been connected with the Canyon News as society editor for several years. She has been on the Prairie staff in the same capacity this year.

C. H. Thurman, member of the W. T. English department, speaks very highly of the poem and predicts greater achievements for Miss Brewer in the field of literature. "Behind the Mailbox" was a contribution made to the Writer's Club by Miss Brewer and chosen by that organization for publication in the Prairie. It was withheld, however, when it seemed apparent that Kaleidograph would accept it.

### CHRISTMAS PARTY AT COSTLEY HOME

Permeated by a Christmas atmosphere, the entertainment of Las Senoras Nuevas Club proved to be an altogether delightful affair yesterday afternoon when Mrs. Glen Costley was hostess to the members at her attractive home northwest of the city. Gay tinsel, red and green roping, and red Christmas candles made an appropriate setting for the little Christmas tree and exchange of gifts between the members.

Christmas tree tallies were used for the play which followed. A refreshment plate consisting of fruit cake, salad, and coffee was served.

Guests were: Mrs. Hubert Hartman, Mrs. Carl Scott, Mrs. Mitchell Jones, Mrs. Harry Wood, Mrs. J. M. Daugherty, Mrs. Hud Prichard, Mrs. Owen Williams, Mrs. Forrest Ferrell, Mrs. M. L. Saddoris, Mrs. Jack Boutwell, Mrs. A. K. Goodman, Mrs. Winfield Miller, Mrs. Claude Moore, Mrs. J. J. Walker, and two guests from Amarillo, Mrs. Bass and Mrs. Costley's sister.

### LAST OPPORTUNITY TO JOIN FIRST-AID CLASS

The regular meeting of the Men's First Aid Class will be held this evening at 7 o'clock at the Canyon High School building. Anyone else interested in taking the course is invited to be present this evening for the second lesson, as enrollment cannot be made after tonight.

The Red Cross diploma is not issued in the course if more than two lessons have been missed. Eleven have enrolled to date.

The purpose of the course as outlined by the Red Cross manual is summarized as follows: "First aid is the bridge that takes the injured safely over the danger of an exhausting or fatal hemorrhage."

of an infected or blood poisoned wound, a crooked leg, or a stiff joint, and puts into the hands of the hospital or surgeon a man who has lost less blood, has a cleaner wound, a straighter leg, who suffers less pain, less shock, and is in every way stronger and in better condition for the hospital and surgeon's further professional care."

It doesn't take much time for Dad to dress up. All he needs is a clothes brush.

Uneasy lies the head that engages in crooked politics to get elected to office.

A probe: Something that is welcomed by everyone when it is inevitable.

Thinking you are happy regardless of whether you are, beats being happy and thinking you are not.

### Makes No Bones About Eating

"Old Tom," above, 18-year-old feathered resident of Hermosa Beach, Calif., has deplorable table manners. The pictures above give some idea of the way he acts when he dines out. In Picture No. 1, his dinner, a fresh 14-ounce codfish, has just been laid before him. He casts a few suspicious glances around and then, casting caution to the winds, he darts for the piece de resistance. In No. 2 he is struggling to get it down, bones and all. And even before he has swallowed the fish, he looks up brightly (No. 3) and seems to say, "Waddy got for dessert?"

## Christmas Cantata Will Be Given at the Baptist Church

Choir members of the First Baptist Church are rapidly approaching the close of a long period of preparation for the presentation of "King All-Glorious" by Roy E. Nolte, a Christmas cantata to be presented Sunday evening at eight o'clock.

The presentation is under the direction of C. O. Huber with Miss Lilla Beth Burroughs, accompanist. ## Poor Little Kid

The kid shown above being held by Miss Bobby Miller, Parisian mannequin, looks rather sad. He has just learned that the shoes he has on are none other than his deceased uncle, and realizes that some day he too may be scuffing the pavements. Miss Miller chose the kid as her mascot at the National Boot and Shoe Manufacturers' exhibition, held in New York City.

## Roosevelt Aid

Here is Prof. Raymond C. Moley of Columbia University, who acted as economic adviser to President-elect Roosevelt in the latter's conference with President Hoover on the war debts problem. Born in Berea, O., Moley received a degree of Bachelor of Philosophy at Baldwin-Wallace College when he was 20. Later he was appointed superintendent of public schools in Olmsted Falls, O., then went to Columbia University as professor of public law. A close friend of Franklin D. Roosevelt, Professor Moley's unusual grasp of economics and political science made him valuable to the president-elect in the recent campaign.

## MADRIGAL CLUB XMAS SERVICE

WALLACE CLARK WILL DIRECT PROGRAM SEASONAL SONGS

A College Christmas Vesper Service will be given by the Madrigal Club in the auditorium of the administration building at 4:30 o'clock Sunday afternoon, December 18.

The program, which will be a rendition of old Christmas carols will be directed by Professor Wallace R. Clark, head of the Music department of the College. Between the first and second groups of songs, Professor T. M. Clark will read the story of the Nativity. Some of the songs to be given are among the oldest Christmas

songs in existence, according to Prof. W. R. Clark. The program will include French noels, Bohemian songs and folk ballads, a number of which are so old that nothing is known about their histories.

The program to be given is as follows:

"Break Forth, O Beauteous, Heavenly Light," Bach.  
"Jesu dulcis Moteto," Vittoria.  
"The Morning Star on High is Glowing," Praetorius.  
"Holly Song," (not sacred, Corbin.  
"The Story of the Nativity" (St. Luke) by Mr. T. M. Clark.  
"Noel," Gavaert.

Three old Bohemian Christmas songs: "Hail, All Hail, the Glorious Morn," "The Angels and Shepherds," "Let All Men Sing God's Praises."

"Holy Night," Gruber.

The Madrigal club has a membership of thirty-two students and townspeople.

## Burton Will Hold Rules Meeting in Amarillo Saturday

Coach S. D. Burton of the College will conduct a basketball Rules Interpretation meeting at the high school building in Amarillo Saturday afternoon, Dec. 17 at 2:30.

Such a meeting was recommended by the Superintendents' Committee that met with the Inter-scholastic League Officials in Amarillo recently, in the interest of basketball in the Panhandle.

Coach Burton was in attendance at such a meeting in Dallas, conducted by Coach Francis Schmidt of T. C. U., who is also a member of the National Rules Committee. Much good can come from such a meeting in the way of securing uniform coaching and officiating throughout the Panhandle.

## PROGRESS CHECKED ON MUSEUM BLDG.

Sub-freezing weather has very definitely checked progress in the construction of the Panhandle-Plains Historical Society museum building.

Construction foreman Coffee and his corps of construction workmen have lost for the present in a race with "old man Winter." With the steel framework of the roof ready to receive concrete and the window frames ready to receive their glass panes, work has had to be suspended. A few more working days would have made the building so that inside work on the building would be possible.

It is expected that work on the building will be somewhat intermittent from now on through the winter months. Such a situation was taken into consideration, however, when the contractors said that the building would be ready for occupancy by the middle of March.

## Girls and Boys To Meet Pampa High Saturday

The Eagle girls and boys of Canyon High School will go to Pampa Saturday night, December 17 to play basketball. The game will officially open the season for the girls; however, the boys are playing a return game. By starting the game with the same fighting spirit that they will keep throughout the year, they are sure to give the Pampa Harvesters a hard fight.

The girls were to have played the Happy Jacks in Happy Friday night, but due to the unfavorable conditions of the weather, the game was called off.

To those cool-headed citizens who keep their feet on the ground this country is still right-side-up.

## How Doctors Treat Colds and Coughs

To break up a cold overnight and relieve the congestion that makes you cough, thousands of physicians are now recommending Calotabs, the nauseous calomel compound tablets that give you the effects of calomel and salts without the unpleasant effects of either.

One or two Calotabs at bedtime with a glass of sweet milk or water. Next morning your cold has vanished, your system is thoroughly purified and you are feeling fine with a hearty appetite for breakfast. Eat what you wish—no danger.

Calotabs are sold in 10c and 35c packages at drug stores. (Adv)

## Annual Football Banquet Given To C.H.S. Squads

The annual banquet honoring the football men and pep squad was given Tuesday evening in the high school gymnasium.

The following program was given:

Toastmaster—Dan Sanders.  
Invocation—Rev. McKenzie.  
Songs—Pep Squad.  
Toast to team—Arma Lee Greenfield.  
Response—Ogden Stroud.  
High Points of the Season—Coach Jones.

Response—Coach Barksdale.  
Remarks—Supt. Irby Carruth.  
School Song—All.

The menu served to the squads and many outsiders was as follows:

Fruit Cocktail Duck  
Turkey Dressing Gravy  
Glazed Sweet Potatoes  
Peas in Timbals  
Cranberry Relish

Rolls Salad Wafers  
Pumpkin Pie Whipped Cream  
Nuts and Mints Coffee

The duck meat was furnished by Joe Black and Hud Prichard, R. O. Allison and W. W. Hill, a gift which was greatly appreciated. The food was prepared and served by the home economics department.

## Pep Squad Play "George in a Jam" To Be Given Friday

"George in a Jam," will be given by the Purple Pep Club Friday night at 8:00 o'clock in the high school auditorium.

The cast has been working hard the past few weeks under difficulties of short time and conflicting programs. Whenever you see a member of the cast, you find him mulling his lines or practicing the odd jesticulations of his part.

The synopsis of the play is:

Act I. Living room of Jim Gray's Brooklyn home, on a fine morning in summer. George in a Jam. Furnished rooms. The pearls stolen.

Act II. Morning, a month later. The pearls found, also a wife.

Act III. Come and see it!

## Who's Who

### Brasuel Brothers

Among the outstanding families represented in Canyon High School is the Brasuel family. Four boys Leonard, George, Alton and Douglas are now attending school here.

Leonard, the president of the Student Council is a senior and has been an outstanding tackle on the Eagle team for the past three years. As president of the Student Council, he presides over all assembly meetings. He has attended the grade schools of Greenville, New Mexico, and Stone and high school in Canyon. He takes civics, trigonometry, English and mechanical drawing.

George has been an outstanding football player for the past two years and is now the senior class president. Last year he was vice-president of the junior class. At the Carnival he was elected Carnival King of the high school.

Alton, a lettered football star, is an outstanding student in Canyon High School. In his Freshman year he was vice-president of the class and also the a like officer in the Sophomore class.

Douglas, a sixth grader, shows great prospects of being an outstanding football player in his high school years.

## Negro Minstrel

A Negro Minstrel will be given in January by members of the faculty and citizens of Canyon. This annual feature will be directed by Supt. Irby Carruth.

A busy man usually has time to do something for you. It's always the fellow with nothing to do who never has the time.

Many a father thinks his children should give their mother a lot of credit for picking out the kind of a husband she did.

Our idea of a wise man is the citizen who has sense enough not to brag that he can fry an egg as well as his wife can.

This is a big country, and in a presidential year it takes a lot of salve to spread from New York to San Francisco.

We all expect to be angels some day, but a lot of us will have to do a deal of practicing before we can play the part.

Yes, the Lord will reward you for your good deeds in this world provided the good ones overcome the bad ones.

"George in a Jam," Dec. 16.

## "All American" Is Sponsored Sun. Mon. Tues.

"All American," is showing Sunday, Monday, and Tuesday at the Olympic Theatre, featuring many all American football stars. This is one of the highest advertised shows of the season. The tickets will be on sale by all pep squad girls who are sponsoring it to help pay for their pep squad suits. How far is the student body and public going to help the girls who have backed the Eagles so truly?

## Press Club Enjoys Party Friday Night

In spite of the cold weather, the Press club enjoyed a very pleasant evening Friday at the home of Miss Margaret Dickenson.

The evening was spent in making candy, snow ice cream, roasting peanuts and playing anagrams and forty-two.

Those present were Mary Ella Lowe, Kathryn Robinson, Louise Wester, Lela Hickox, Madelyn Bull, R. S. Burman, Hampton Lisle and Mr. George Terry.

Don't bring any of your original poems to this office for publication. We sometimes forget and say what we think.

Two's company and three's a crowd, but nothing less than six is a good load for a two-passenger automobile.

Some people believe in asking the Lord to provide their daily bread because it is less trouble than working for it.

The fellow who is afraid to ask the clerk for something cheaper seldom ever gets out of the wages class.

Some take too much trouble to making pleasure and others too much pleasure in making trouble.

When sowing their wild oats, young men should think of the cost of harvesting the crop.

## J. M. Black Named On Bi-District Mythical Eleven

One of the highest grid honors of a Class B football of the north Plains has been awarded to J. M. Black, pivot man for the Eagle squad. J. M. has been selected as the best center in District 1 and 2.

J. M. was chosen to this honorable position last week when the sports writers of the Amarillo News Globe assembled for the purpose of choosing the two best teams in Districts 1 and 2.

Tyson Cox, Eagle left guard, and "Scoop" Elliston, left end, were named on the second team. F. A. Thomas and Sewell Cox, backfield aces were given honorable mention.

J. M. is playing his first and last year as a regular on the Eagle squad. He has played under a great handicap. His defensive playing along with his excellent snapping back enabled him to receive this honor.

## Boys' Lockers

New lockers were assigned to the boys last week as several have quit school since the lockers were first assigned.

They were rearranged several weeks ago to make more room in the hall, since this arrangement there has been less confusion during intermission.

### SPEECH CLUB

Miss Murrell has organized a class in Extemporaneous Speech. This class is organized for the purpose of supplying a team in the interscholastic contests to be held next spring. The class is making a comprehensive study of modern political and economical problems. Special emphasis is given to the construction of the talks and the delivery.

The following students belong to the class: Fannie Mae Russell, Ruby Foster, Mary Ella Lowe, and Robert Orton.

Alma Smith, a Sophomore, has undergone an operation for appendicitis in an Amarillo hospital.

## Eagles Open Season With Close Score

Last Saturday night the Canyon Eagles opened their cage season in the local high school gym. The Eagles were defeated by the Pampa Harvesters 19 to 16.

Outstanding players on the Eagle team were Austin Cone, Joe Collins and "Spec" Williams. Marbaugh, Pullingim, and Patton were outstanding players for the Harvesters.

Austin Cone was high point man for the Eagles and the same honor for the Harvester quintet goes to Marbaugh. Each man scored 6 points. Patton's defensive playing was outstanding for the visitors.

"Spec" Williams, little Eagle guard, played a good defensive game and at the last when it was too late, began to sink the ball through the net.

The starting line-up:

|           |          |
|-----------|----------|
| Canyon    | Pampa    |
| Stroud    | W. Kelly |
| Williams  | Patton   |
| Elliston  | Guards   |
| Cone      | Center   |
| McCormick | B. Kelly |
|           | Marbaugh |
|           | Forwards |

Substitutes: Canyon, T. Cox for Williams; J. Collins for McCormick. Pampa, Sarten for Patton.

### WERE YOU A REPORTER

If a reporter wishes to make a successful interview, there are many things of which he must be careful. Most of these might be applied by persons of other occupations to those with whom they come in contact in either business or social life.

The reporter should be governed by the common rules of politeness and courtesy. He should avoid any appearance of insolence or servility, and should be neat in appearance.

Unless there is a secretary or a public reception room, the reporter should knock on the door of the office before entering. If he is not already known to the person whom he is to interview, he should introduce himself and explain his reason for being there. After entering the office he would ordinarily refrain from taking a seat unless he is invited to do so.

If the interview is to be successful, the interviewer must be tactful with his questions and draw the person being interviewed out, thus getting not only the story but the characteristics of the person.

## Agricultural Activities

In the field of agricultural activities, the Chamber of Commerce was more active than in the past several years. With the cooperation of the county agent, the Chamber of Commerce financed for the fourth consecutive year, the project of distributing pure seed to farmers at cost. Over 32,000 pounds of seed were handled this year, an increase of between 12,000 and 14,000 over 1932. Over 700 pounds of free seed were distributed to 4-H club boys of Randall county, in an effort to encourage that work. When the Federal Crop Production Loans were being made in Randall county the past spring, the Chamber of Commerce offered the services of the secretary to the farmers of the county without cost for the purpose of assisting them in the filing of their applications for such loans. This service covered a period of approximately 45 days, and loans amounting to about \$12,000 were secured in this county. Service was rendered both the Randall County Dairyman's Association and the Randall County Herd Improvement Association, as well as co-operated with the Santa Fe Railway in bringing its Farm and Home Special here in March.

## Cooperation With the College

The Chamber of Commerce has cooperated with the West Texas State Teachers College financially and through service during the past year. Cooperation was extended in the organization of a business men's public speaking class; the entertainment of the various district interscholastic league meetings; the teachers institute; the home coming celebration and at other occasions throughout the year.

## Cooperation with the High School

In a similar manner the Chamber of Commerce has given assistance and cooperation to the Canyon High School. The Chamber of Commerce financed a band director for the high school through the 1931-32 school term. The county interscholastic league meeting held at the high school was assisted financially by the Chamber of Commerce. Cooperation in other ways has been extended the school officials during the year.

## West Texas Chamber of Commerce

Assistance was given the West Texas Chamber of Commerce Tax program by securing such data as they desired from this county in making a thorough survey of the tax situation in West Texas. Representatives were sent to the directors meeting in January; the annual convention in May, and to the Budget Making Institute in June. In cooperation with the West Texas Chamber of Commerce, R. C. Morrison visited Canyon and gave two lectures on home and city beautification. Through the West Texas organization application was filed for relief funds for this county.

## The Palo Duro Canyon

The widespread publicity given the Palo Duro Canyon during the past year and a half has attracted nation-wide attention to it and to the city of Canyon as the gateway to the Palo Duro. The lease on the Palo Duro Free Park was maintained by the Chamber of Commerce, with over 30,000 visitors during the past year, and a total of more than 80,000 since it was opened in May 1931, the visitors coming from 45 states and 10 countries. For the third consecutive year a representative of the Chamber of Commerce carried an exhibit of the Palo Duro Canyon, consisting of motion pictures, colored slides and still pictures of the canyon, to the West Texas Chamber of Commerce convention. Assistance was given the Texas State Parks Board in preparing an application for funds from the Reconstruction Finance Corporation for the creation of a 15,000 acre park in the canyon.

## Sponsored Events

A number of special events and occasions were sponsored during the year by the Chamber of Commerce. These included: Canyon's Silver Anniversary celebration; five special trades days, chief of which was the Downtown Night shortly before Christmas, which attracted between 2,000 and 3,000 people to Canyon; lighted decorations of the square at Christmas; a minstrel and a combination political rally and pie supper for the museum fund of the Chamber of Commerce; sponsored the Canyon-Randall county day at the Tri-State Fair; with the largest attendance of any other organized delegation at the fair this year; sponsored a Merchant's Institute in October with an attendance of 124 at all sessions; as well as, having sponsored a number of minor activities.

## Relief Program

Combining efforts with the county and city officials the Chamber of Commerce filed an application for Federal Emergency Relief Funds for this county. We were allotted \$298.00 per month for the months of November and December, with an application being submitted for larger allotments during the other winter months. This is handled through a special work relief committee, expending it for

work relief of a constructive nature.

## Miscellaneous

Under a miscellaneous heading a long list of things accomplished could be compiled. A few of them should include: a number of advertisements and graft schemes checked through the advertising committee, which saved the merchants of Canyon, conservatively estimated, the cost of operating the Chamber of Commerce for a period of 2 months; a new system was inaugurated several months ago whereby new citizens to Canyon are extended a welcome from the Chamber of Commerce; the membership of the organization remained about the same during the year with a gain of about the same number that resigned. 2556 pieces of mail went out from the office in conducting the work during the year. Direct inquiries received by mail number 306. The Chamber of Commerce has received assistance and cooperation from various organizations and individuals within the city and outside the city, for which the officials of the Chamber of Commerce are deeply grateful and express appreciation for such assistance and cooperation.

Turning from the past to the future, this community is facing problems of vital importance to the life of the community, and we must not hesitate for a single moment but must meet these problems at once. It is only by generous, cooperative support that these things can be accomplished and the welfare of our citizens safeguarded.

## Banquet

(Continued from first page)

stated Dr. Hill, if all of those interested do their part in this fight. He outlined the history of W. T. and the influence that it had had during its 22 years of service to the state. The cost of maintaining the teacher training institutions in Texas is comparatively small to the expenditures for the other institutions. The total cost of education is at a minimum as compared with the money spent for snuff, tobacco and luxuries.

Canyon was urged by Dr. Hill to support the Chamber of Commerce in the fight that must be made during the coming months. A resolution by the Odessa Chamber of Commerce, condemning the action of the committee was read by Mr. Hill.

## Finances Needed

Mr. Warwick closed the program by appointing a finance committee, composed of C. R. Burrow, T. C. Thompson, S. H. Condon, J. W. Kleinschmidt, and J. J. Walker. Money must be raised for the Chamber of Commerce, if the directors are able to accomplish anything.

Several hundred letters have already been mailed out from Canyon citizens to newspapers, Chambers of Commerce, Ex-students of W. T. members of the legislature, and friends of education scattered over the state. Every citizen who knows any of the Senators and Representatives is urged to write at once, telling of the work of W. T.

Mr. Warwick believed that Canyon will be able to show that W. T. has rendered a real service to the state of Texas, and upon this high plane the fight should be staged. While it would mean economic disaster to Canyon and Randall county to have the college reduced in rank, yet the state cannot be asked to support the institution unless it is rendering a real service to the people of the state. This can be done, and must be done.

The new legislature was elected upon the program of economy. New members are in a majority. They are fresh from the people, who want to see the expenses of the state reduced. They will take serious and drastic steps unless shown facts regarding the work of the various institutions of the state. The local Chamber of Commerce is almost helpless unless more money is raised with which to carry on this fight. Mr. Warwick appealed to every business man, and to every citizen to contribute at once, as the economy and efficiency committee was in earnest, and would make a bitter fight to carry out its plans for retrenchment.

## Presidents

(Continued from first page) Teachers Colleges of the State. This number constituted one-third of the white teachers of Texas, and is a tribute, not only to this group of institutions, but to the professional spirit and standing of the teachers of the State. Inasmuch as the items for the support of these summer schools were voted by the Governor, the Teachers Colleges face the necessity of asking the Forty-third Legislature to make appropriation therefor. Of course, a considerable per cent of the cost of the summer schools has heretofore been paid by the teachers who attend, and no doubt the same will be true this year, but with the almost uniform and far-reaching cuts in teachers' salaries it will be increasingly difficult for them to carry this tax burden this year.

One of the presidents raised the question as to the newspaper reports about the recommendations

of the Legislative Committee on Efficiency and Economy. Inasmuch as none of the group had seen the actual report of the committee, it was not deemed advisable to take any official action thereon. All of the presidents and Board members present expressed the opinion that the Teachers Colleges are too closely identified with the cause of public education to suffer serious impairment at the hands of any amateur educational reformers. Their service to the common people is too important and too direct to permit sudden and revolutionary reorganization. The extraordinary development of these institutions during the last two decades is only equalled by that of the elementary and secondary schools themselves and constitute a bright chapter in the history of this state. The people of Texas are not going to blow out the light in these days of darkness.

## New Member of the Board

J. E. Josey, chairman of the Board of Directors of the Houston Post, has been appointed to a place on the Teachers College Board of Regents to take the place of J. W. Fitzgerald of Tyler. Judge Fitzgerald has been appointed District Judge at Tyler.

It is expected that the new member will be present at the next meeting of the Board.

## Legislators

(Continued from first page)

College must prove to the Legislature that it has returned to the tax payer dividends on his investment," Mr. Warwick said.

Mr. Stanfield stated in no uncertain terms that he would oppose every measure placed before the House of Representatives which proposed to curtail the efficiency of the Teachers College system in Texas.

"The only changes that should be made in the plant and facilities of the West Texas State Teachers College should be in the form of growth and expansion; certainly not in the form of curtailment. The report of the legislative committee is preposterous," said Mr. Stanfield forcefully.

"Too Revolutionary" Says Solon Mr. Moffitt, representative from Chillicothe, expressed the opinion that no one need be alarmed about the abolishment of the Teachers College system in Texas. "The proposition would be entirely too revolutionary," he said. This opinion came from one seasoned in the practices of the Texas Legislature.

The encouraging words spoken by these Texas legislators brought forth repeated applause from the student body.

In the afternoon the solons were in session with the administration officers.

## WDAG PROGRAM SATURDAY

The B. S. U. will give a program Saturday night at 8:15 o'clock over WDAG, Amarillo. Chas. Taylor is chairman of the committee which is working up the play "Gifts," by Agude Durant Piyant, which will be presented.

Oscar Gano returned Monday from Waco where he attended Grand Lodge. He was accompanied to Dallas by Bill Bryant and Bob Bolling of the Texas Utilities Company.

## Hill Meets With Presidents Monday Discuss Colleges

Complying with the request of Mrs. Miriam A. Ferguson that appropriations be reduced 25 per cent, President J. A. Hill met Monday in Fort Worth with the presidents of the other teachers colleges. The budgets for all of the institutions were discussed with members of the Board of Regents who were present.

Appropriations for the summer schools next summer will be requested of the legislature when it convenes in January. Governor Sterling vetoed this appropriation from the last general appropriations bill.

All of the towns in which the teachers colleges are located are preparing to make a fight against the reduction in rank which will be recommended to the coming session of the legislature. News of this recommendation was a leak on the part of some one at Austin, but it is giving the colleges more time in which to organize for the fight.

Christmas Cards, 1c to 50c each. Warwick's.

## Buffaloes to Meet Exes Friday Nite in Charity Game

A regulation basketball game will be played in the Buffalo gym at Canyon Friday night, Dec. 16, between the West Texas Buffaloes and a team composed of West Texas and Denton exes. On the ex-team will be Carl York, formerly an all T. I. A. A. guard with the Denton Eagles; Knowles, who was a regular forward with the Denton Eagles for three years. The West Texas exes on the team are Delbert Lowes, all T. I. A. A. center; Ben Pearson, one of the Buffs best guards of a few years back; Hatcher Brown, captain of the Buff cage team in '31; Pat Gerald, one of the best guards developed by the Canyon school, and Cleveland Jones, a forward of the Buff team of a few years back.

The present Buffalo squad is believed to be the best ever turned out at Canyon. This game will be played for the benefit of the Canyon community chest; usable clothes, articles of food, or cash will be accepted for admission.

It is expected that a large crowd will attend.

## WILL SHIP CAR TO THE ORPHANS HOME

Members of the Baptist church are soliciting gifts of clothing and food, anything not perishable, to be taken from Canyon by truck Tuesday morning to Hereford, where a car load is being assembled.

The Santa Fe is furnishing a car free of charge for this purpose.

## Wilson Items
